

SCFL Community Services Committee Report for Monday - 21 November 2022

Ann M. McNeary | AFL-CIO Labor Liaison | 608-246-4355 | labor@uwdc.org

Holiday Collection Drive for Worker Justice Wisconsin

Worker Justice Wisconsin empowers workers to stand up for their rights and brings faith, labor, and other community allies together to fight for fair and just workplaces. This holiday season we will partner with them by doing a gift card collection. Please participate as you are able. The flyer will be posted on the SCFL website with further information. Thank you in advance for your participation!

United Way of Dane County is Celebrating Its Centennial!

Since October of 1963, there has been an official partnership between United Way of Dane County and the South Central Federation of Labor. The AFL-CIO Community Services Liaison position is one of the main "products" of this relationship. Some of you will be invited to participate in workplace campaigns - either private sector or public sector. I certainly encourage you to participate as you are able. Thank you!

Dolly Parton Imagination Library is Back

The project is back! It is being sponsored/run by the Madison Reading Project and provides FREE books on a monthly basis to children in Dane County from birth to age 5. This is a wonderful program that provides age specific books. You may sign your "little person" up at www.madisonreadingproject.com/.

Volunteer Your Time - Providing Help Right Now!!

If you personally or as a group/family want to help out by volunteering with area agencies in Dane County, there is a local website, <http://www.volunteeryourtime.org/>, which allows you to look for opportunities. They are clearly marked as to being in person OR completely virtual (to be extra safe). For Dane County employees, this is the source for opportunities where you can "invest" your newly allowed/granted eight hours of volunteer time annually. Do let me know if you need help finding something of interest.

Insurance on the Market Place and HealthConnect

On the HealthCare.gov Marketplace, anyone qualifying for Special Enrollment can sign up at any time. And HealthConnect is a program where people making up to 150% of the federal poverty level (FPL) who live in Dane County could have their premium cost paid up front (not a reimbursement).

United Way 211 - Help Starts Here

United Way 211 is a free, confidential information and referral resource available 24 hours a day, every day. The entire state is covered and you reach a "live" resource specialist by simply calling 211 on your telephone or texting your zip code to 898-211. If you prefer, the information is also available online at <https://211wisconsin.org/>. 211 is also looking for new volunteers, working from your own home, so please let me know if you're interested.

Rob Hardin | Committee Chair | 608-347-1973 | Hardin_Family@frontier.com

We would like to encourage all Locals to form Community Services Committees. Let us know if you need help. This is of particular interest to me so please don't hesitate to ask for assistance!
