

Our Community's **AGENDA FOR CHANGE**

Education

Children are cared for and have fun as they become prepared for school.

All students succeed academically and graduate from high school prepared for higher education, career and community.

Income

There is a decrease in family homelessness.

More people are on pathways out of poverty.

Health

Reduce racial health disparities in Dane County.

Increase resiliency and trauma supports for Dane County residents.

2Gen Approach

Build family well-being by intentionally and simultaneously working with children under five and the adults in their lives together.

**The Power of Many.
Working for All.**
