

LOCAL 60 UNDER ATTACK

Madison school workers deserve respect, fairness and the freedom to stand together.

For 15 years, Madison School District has collected employee association fees. Now District HR is refusing to continue that practice. This is not a paperwork change. It is an attack on AFSCME Local 60 and the workers who keep Madison schools running.

WE'VE SEEN THIS PLAYBOOK BEFORE.

It is the Scott Walker Act 10 playbook: make it harder for workers to support their union, weaken their collective voice and hope people stop standing together. We know that playbook. And we know how to fight back.
