

**No more excuses, and no more delays.
Stop union-busting and recognize our union NOW!**

INFORMATIONAL PICKET

**featuring polka music
from DJ Shotski!*

What is an info picket?

We're gathering outside of our workplace to inform the public about our campaign. We aren't striking; this is to raise awareness and garner support.

WHEN: Friday, Jun. 20, 12-1 pm

WHERE: Outside East Clinic

**Together, we'll send a powerful message to the GHC
Administration and Board:**

**their union-busting strategy has
made it impossible to have a fair and free election.
We demand union recognition now!**
